

BECOME A DT PHILLY PARTNER IN DESIGN

High school and middle school students throughout Philadelphia will be using the design thinking approach to problem solving to address a need in their school or community this year. Help give our DT Philly design teams the tools to succeed by sharing your wisdom and experience! DT Philly projects kick off in October and wrap up with formal presentations in January (middle school) and February (high school). Here's how you can help:

VOLUNTEER AS A PROJECT ADVISOR:

- Be paired with a team to support and encourage their design work
- Connect with your team early in the project to establish a relationship
- Check in with your team 3 to 5 times (or more!) throughout the project
- Monitor your team's deliverables on the Compete 360 website
- Attend your team's final presentation
- Participate in trainings or meetings when possible
- Time commitment: 2- 4 hours per month

VOLUNTEER AS AN EXPERT RESOURCE:

- Be listed in DT Philly's consultant directory so teams can reach out to you from time to time with a question or for an outside opinion
- Participate in trainings or meetings to provide advice to teachers or teams
- Time commitment: occasional

WAYS TO CONNECT WITH YOUR TEAM

Meet in person

Video chat

Email

Phone call

Post comments on the website

PARTNER IN DESIGN TOOLKIT

DISCOVER INSIGHTS
